KNOW-HOW

PASSION

**The perfect combination to
create a unique event
according to your needs**

What do we need to know?

- The group size
- Nationality, gender and age of the group
- The purpose of the event
- The time available for the activity
- If you give us a budget, we can propose those activities that meet your expectations

THE PYRAMID

An activity designed to give the team the opportunity to work together and to achieve great things.

From the opening brief, participants assume they are competing to create a small Pyramid. Once ready we ask them for a second part and as the activity progresses, teams realise that together they can create something truly impressive. Now all teams work together and ensuring accuracy they experience the development of one of the 7 world wonders.

Duration of activity: approx. 1 – 3 hours

Recommended group size: min 60

FALLA WORKSHOP

A creative activity which represents one of the most important fiestas of this region, the local tradition of building a giant sculpture called 'Falla' or 'Hoguera'. Split in teams, participants get to get to make their own figure in a dynamic way, carving and painting, to end up joining their creations to a larger central figure that has been prefabricated by us according to the theme of the event. The final Falla monument is worth an exposure, for everyone to have a good glance at the thoughts and visions expressed by the teams.

Duration of activity: approx. 2 – 2.5 hours

Recommended group size: min 100

NAOKI – PASSION TO SUCCEED

A Teambuilding activity of 3 stages, which invites assistants to participate in a journey full of innovation. In order to achieve the common objective, the group is split in teams who need to separate in some occasion and in others search for collaboration in order to be able to fulfil the requirements of the demanding NAOKI. Solving all different kind of tasks with the team colleagues brings fun but it will also need perseverance, radical thinking, quality in the execution and team spirit. Will the group be able to solve this extraordinary mission, which would guarantee the company's success in the future?

Duration of activity: approx. 3.5 hours

Recommended group size: min 70

CORPORATE LOGOTYPE BUILDING

Everybody in the company plays a unique role within the big picture of a company's structure. This entertaining activity consists in creating your company or event logo by using delegates as living "pixels". Organising with the team colleagues, everybody gets aware of the importance of every single person in its respective position. A perfect ice-breaker that will enhance communication and team spirit.

Duration of activity: approx. 1 – 1.5 hours

Recommended group size: min 70

MAXI-CHALLENGE

Especially designed for large groups for all ages and abilities. The objective of the teams is to gain as many points as possible in the different team challenges provided. If a time limit is given, teams will try to succeed in a maximum number of challenges in the time available. Equipped with task information and maps, participants have fun while going for their best result.

The activity offers the opportunity to decide on a particular strategy and thus teams can gain points according to their structure.

Duration of activity: from 1h to 2.5 hours

Recommended group size: min 120

GEO-CACHING

Equipped with a GPS or using their mobile phones, teams try to determine exact locations to find hidden “caches” in cultural sites. These caches are not easy to find which makes it even more interesting.

This fun event enhances communication and makes teams move and discover the site in an attractive way. It can be organised as a tour to discover the place or as a competition.
